

**InsideNGO Partners with Telecom4Good  
To Help Members  
Save Time and Save Money  
on Internet Services and Cisco Meraki Equipment**

# InsideNGO Partnership Profile: Telecom4Good

InsideNGO Partners with Telecom4Good to Save Member Time and Money!

## Why Telecom4Good?

- **T4G** is a **NON-PROFIT** supporting the needs of **NON-PROFITS**
- **T4G** is **NOT** an **ISP** or **Telecom**, rather **T4G** negotiates with them for **your best pricing**
- **T4G** is never in the middle, all contracts are direct between **NGO** and **ISP/Telecom**

InsideNGO Members using Telecom4Good:

# InsideNGO Partnership Profile: Telecom4Good

**InsideNGO Partners with Telecom4Good to Save Member Time and Money!**

## *InsideNGO Member Benefits:*

InsideNGO Members using Telecom4Good:

# Pledge to Participate Program

The ***Power of Collaboration*** is far greater than the power of just one. By collaborating with other NGOs to ***Aggregate Internet Bandwidth***, you can ***Lower your Internet cost*** and help other NGOs reduce their cost at the same time. The power of many helps everyone!

- ***Commitment-Free Pledge*** to Participate Program in 123+ Countries Globally
- Collaborate, and ***Create Greater Bargaining Power*** (30-55% Savings or more) for you and other NGOs in common geographies
- Pledge just 1 megabyte or more of Internet service and ***Watch the Prices Reduce for All*** participants within the region
- ***Twice Monthly Updates*** of current bandwidth pledge participants
- Pledge bandwidth of both ***Terrestrial and VSAT*** service

Participate today <http://Telecom4Good.org/participate>
